Our modern family home, is wheelchair accessible, and is located on the grounds of UCP of NYC's spacious 12-acre Hausman Campus in the Pelham Gardens neighborhood of the Bronx. Families can be assured of a safe, comfortable, homelike and caring environment for their loved one. In some cases, transportation can be provided, but if not, families are responsible for providing their own transportation.

Overnight Respite offers the following services:

- All meals and snacks
- A wide variety of regularly scheduled recreational activities
- Laundry services
- Bathing and personal care
- Routine administration of medications

The Overnight Respite Program is operational 24-hours a day, seven days a week. The program is open year-round, except for two weeks in November. Parents and guardians may stop by at any time to visit their family member who is a guest at the facility. This program is available for any child or adult who is a New York City resident, is physically disabled and/or developmentally disabled, and meets the New York State Office of Persons With Developmental Disabilities (OPWDD) and Family Support Services guidelines. OUT-OF-HOME OVERNIGHT RESPIRE AT CAMP OAKHURST

**FOR CHILDREN AND ADULTS WITH SPECIAL
NEEDS, INCLUDING AUTISM AND PHYSICAL
AND INTELLECTUAL DISABILITIES**

Why overnight respite at Camp Oakhurst?

Families caring after a relative with special needs in their own home need period breaks. They can get one, while their relative with special needs enjoys a 2-12 night stay at Camp Oakhurst. Respite sessions are scheduled year-round, and in the summer take the form of a sleep away camp. On a limited basis, emergency respite care is also available.

What will happen at an overnight respite?

Clients stay in barrier-free heated and air conditioned cabins with age appropriate groups. Care and supervision provided by trained experienced staff living on-site is provided 24/7. Clients have access to a full program of adapted recreational activities, including trips off-camp.

Does my family qualify for overnight respite?

Individuals who live in New York City or New Jersey and have a physical and/or developmental disability, including autism, may qualify for state-supported respite. Even if not eligible for state-supported respite, clients may apply and attend all sessions. Registration starts with an application and includes a personal interview with a staff member.

How long are respite periods and how can I get there?

There are separate sessions for children and adults. Registered families receive a yearly calendar of scheduled respite and summer camp sessions. They vary in length from a weekend to 3, 4, 5, 7 or 12 night sessions. Some families get to and from Oakhurst on their own, others receive central site transportation from NYC in lift- equipped vehicles.

What does it cost?
