OUT-OF-HOME **OVERNIGHT** RESPIRE AT CAMP OAKHURST

FOR CHILDREN AND ADULTS WITH PHYSICAL AND/OR DEVELOPMENTAL DISABILITIES

Why overnight respite at Camp Oakhurst?

Families caring after a relative with disabilities in their own home need period breaks. They can get one, while their relative with disabilities enjoys a 2-12 night stay at Camp Oakhurst. Respite sessions are scheduled year-round, and in the summer take the form of a sleep away camp. On a limited basis, emergency respite care is also available.

What will happen at an overnight respite?

Clients stay in barrier-free heated and air conditioned cabins with age appropriate groups. Care and supervision provided by trained experienced staff living on-site is provided 24/7. Clients have access to a full program of adapted recreational activities, including trips off-camp.

Does my family qualify for overnight respite?

Individuals who live in New York City or New Jersey and have a physical and/or developmental disability, including autism, may qualify for state-supported respite. Even if not eligible for state-supported respite, clients may apply and attend all sessions. Registration starts with an application and includes a personal interview with a staff member.

How long are respite periods and how can I get there?

There are separate sessions for children and adults. Registered families receive a yearly calendar of scheduled respite and summer camp sessions. They vary in length from a weekend to 3, 4, 5, 7 or 12 night sessions. Some families get to and from Oakhurst on their own, others receive central site transportation from NYC in lift- equipped vehicles.

What does it cost?

There is no fee for those qualifying for state-supported respite. Others pay a fee that may be scaled according to income and family size.

When should I apply?

Applications are received throughout the year. Confirmation for a particular respite session depends on space and transportation needs. Call us or visit www.nysh.org for applications and a schedule.
