Self-Direction Webinar for Individuals and Families

*Hosted by OPWDD Division of Person-Centered Supports, Self-Direction Unit
Kate Bishop, Director of Program Development*

The Office for People With Developmental Disabilities (OPWDD) will be holding the first in a series of webinars for individuals and families participating in self-direction (SD). The webinars are being held as a result of feedback from individuals who self-direct their services and their families who want to learn more and share questions or ideas with OPWDD. The purpose of the webinar is to provide education and updates on self-direction.

If you are currently receiving self-directed services or are interested in knowing more about it, please join the conversation on Tuesday, September 25, 2018. The webinar will begin at 4:00pm and end at 6:00pm. Click on (or copy link into browser) <https://meetny.webex.com/meetny/onstage/g.php?MTID=e990d7e5ddfdd3dd20c987b8ca4c37525> to register for the event.
