The Manhattan DD Council Transition Committee is being reestablished!

The goal of the Manhattan Transition Committee is to promote successful transition from school to adult services through OPWDD for students with developmental disabilities.

This month, come join us for a presentation and discussion on:

Adult Programs & Services: Meet & Greet **for Families & School Staff**

Wednesday 11/20, 10:00 a.m. – 12:00 p.m.
District 75 Main Office
400 1st Avenue, 2nd Floor, NY, NY 10010

What's next after high school and where can I go to get services? Come meet with representatives from agencies providing programs and services for adults with developmental disabilities, including day habilitation, supported employment, and other supports. We will be distributing an updated directory of adult day services for Manhattan residents.

We will also hold an open discussion about challenges and areas of need relation to transition planning. We're excited to hear from you about what's working, what's not, and how we can work together so every student has a successful transition from high school to adult services. Family members, school staff, and provider agency representatives are all encouraged to join! We want to hear everyone's voice, concerns, and ideas.
